LAURA RAMOS JAMES
Personal Injury

Austin is home to Attorney Laura Ramos James, a local personal injury lawyer, although her quest for justice started long before she arrived here. Growing up in Mexico, Laura survived a severe dog bite as a toddler. Ever since then, Laura has strived to be a voice for those who go through similar traumatic experiences. With over 20 years of combined experience in successfully handling hundreds of personal injury and accident cases, Attorney Laura Ramos James and her team of legal professionals provide you and your loved ones with Top-Notch legal services to obtain the justice you deserve.

Laura is the proud Owner and one of the Attorneys at Ramos James Law, a law firm that represents individuals and families who suffer serious personal injury and wrongful death, including trucking accidents, drunk driving accidents, sexual assault, and more. Ramos James Law prides itself in helping clients from all walks of life and in providing legal services to clients in three languages: Spanish Portuguese, and English.

When deciding which injury lawyer to hire, accolades and recognition matter, as they speak volumes to the lawyer's competence and qualifications. Award winning Attorney Laura Ramos James was recently named Woman Leader of The Year/Inspiration Woman 2022 at EXPO AMHIGA. In addition, she was recognized as a Top Attorney in Austin in 2022 by Austin Monthly, has been named a Super Lawyers® Rising Star for three years in a row, and is a member of the Multi-Million Dollar Advocates Forum.
